**AUCTION
SALE**

Sale Information

TIME—Sale will be held at the Thorp Metz Farm, Williamsville, Illinois on Saturday, October 23, 1943. Sale will start promptly at 12:30 P.M. Central War Time.

LOCATION—The Thorp Metz Farm is located one mile Southeast of Williamsville, Ill. on a good graveled road. The farm is 15 miles North of Springfield, Ill. Excellent train connections from Springfield to Chicago and St. Louis. Frequent bus transportation in every direction.

LUNCH—Lunch will be served at the farm by the ladies of the church.

MAIL BIDS—Those wishing to buy at this sale who cannot attend in person may send their bids to any of the following reliable agents: Hal Longley of The Shorthorn World, 37 Island Ave., Aurora, Illinois; Ham James of the Corn Belt Dailies, U. S. Yards, Chicago; or to J. E. Halsey, auctioneer, who will also represent Wallaces' Farmer

Communications may be directed to the above named men in care of Stuart Brown, Sale Mgr., First National Bank Bldg., Springfield, Illinois.

AUCTIONEERS—J. E. Halsey and Verne Dragoo.

HEADQUARTERS—Headquarters for the sale will be at the Leland Hotel in Springfield. Cars will be provided from the hotel to the Metz Farm.

PLEASE NOTE—This sale will be held on the day following the "Sale of Satisfied Buyers" at Abingdon, Illinois. Transportation by auto will be provided from Abingdon to Springfield for those who wish to attend both auctions. The management of each sale will cooperate in assembling cattle purchased in the two auctions.

PLEASE BRING THIS CATALOG WITH YOU TO THE SALE.

This is a view of part of the breeding herd at Metz Farm, Williamsville, Illinois. The females in this herd were selected with the greatest of care and were the top individuals from many of the country's most noted breeding establishments.

Drastic Herd Reduction . . Our Loss . . Your Gain

Thorp Metz Herd Reduction Sale

with a select group of young bulls from the MAYLANDS and LO MAR HERDS
to be held at the Metz Farm

Williamsville, Illinois

SATURDAY, OCTOBER 23, 1943

Due to the fact that the entire time of the owner is now taken up with his duties in U. S. Naval Aviation, this outstanding herd must be drastically reduced. This auction sale is the result and many members of the herd are to be sold that would not be available under other circumstances.

Please note that many of the heifers in this sale are right up to breeding age but that they have been allowed to remain open because we do not have a junior herd bull. This will be greatly to the advantage of those breeders who own good herd sires.

STUART BROWN, Sale Manager

First National Bank Bldg., SPRINGFIELD, ILLINOIS

From Thorp Metz

I am very anxious that my many friends in the Shorthorn cattle business shall understand that I am not dispersing my herd nor do I intend to withdraw from the ranks of purebred Shorthorn breeders. However, due to circumstances which are beyond my control, I cannot devote a great deal of time to my farm during the next few years and it seems wise to reduce the size of the herd. I have worked hard to build this herd to its present strength and it is not easy to part with the choice young heifers and the grand cows that produced them. I know they will prove very profitable to those who buy them. A foundation herd of moderate size will be left on the farm after this sale and Leveldale Manifest is to be retained for service. At the termination of the war I fully intend to make another attempt to build one of the strongest herds of the breed.

Thorp Metz, Owner

From Stuart Brown

From the time of its beginning I have been in close contact with the Thorp Metz herd and have been in a position to observe the development and production records of each individual. The herd, founded on top specimens of exceptionally strong Scotch ancestry, has been maintained on a thoroughly practical basis and under most careful health conditions. No nurse cows have been used because none have been needed, each cow having an inherent ability to produce more than enough milk to take care of her calf. Leveldale Manifest has proved himself an excellent sire as his calves on sale day will prove. I am pleased to have had an advisory part in the building up of this herd. It has been almost like building one for myself. I regret that Thorp Metz finds it necessary to reduce the herd but these are things that cannot be helped under war conditions. Those who buy on October 23d will secure exceptional bloodlines and thoroughly dependable breeding cattle.

Stuart Brown, Sale Manager.

Terms and Conditions

TERMS and CONDITIONS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

HEALTH—Every animal in this sale offering is absolutely clean. They have all been tested for both Tuberculosis and Bangs Disease within 30 days of the date of this sale and individual health charts will be provided that will meet the requirements of any state.

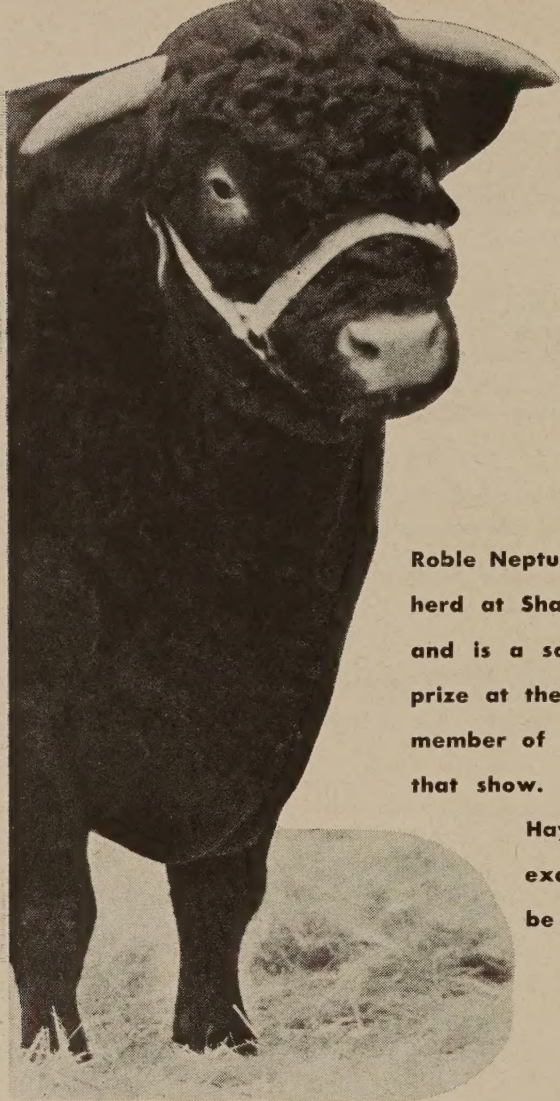

We will not be responsible for accidents that may occur but will take every precaution to provide for comfort and safety of those who attend.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

About The Offering

Although this is not a complete dispersion, it will have many of the aspects of a dispersion along with the added advantages of complete guarantees as to health and future usefulness. The owner is now giving his complete time to vital war work. He established this herd on royally bred animals that were the top individuals in the greatest herds in the country. He has no thought of completely withdrawing from the business of producing fine Scotch Shorthorns on his beautiful farm at Williamsville, but circumstances make this drastic reduction absolutely necessary and females that have always been considered permanent members of the breeding herd are to be sold. Those who study the catalog will find bloodlines of unusual strength and those who attend the sale will find quality and individuality greatly to their liking. All young cattle are in good flesh condition but no attempt has been made to overcondition the valuable group of cows that are nursing calves by **Leveldale Manifest**. This sale represents one of the season's best buying opportunities. Thorp Metz' loss will be the buyers' gain. Write for this catalog now and plan to attend this important sale.—Hal Longley of The Shorthorn World.

Roble Neptune is chief stock bull in the strong Haylands Farm herd at Sharpsburg, Ill. He was bred at Los Robles Ranch and is a son of the noted Roble Leader that won second prize at the 1936 International Live Stock Show and was a member of the first prize three bull and two bull groups at that show. The calves by Roble Neptune produced in the Haylands herd have been modern in type and of excellent quality. Seven bulls sired by him are to be offered in this sale.

Leveldale Manifest 1979502

It was a fortunate day for us when we purchased Leveldale Manifest because he has proved an excellent sire in the Metz Herd. He won junior championship as a calf at the Ogden Show and first prize as a yearling at the International and American Royal Shows in 1940. Each of his calves has inherited his marvelous balance, thickness of flesh and blockiness of body. This sale will feature his get and service. He is one of the great sires of the day.

Imperial Missie 2d—This is one of the younger heifers in the sale but what she lacks in age is certainly made up in quality. She is smooth, typy and is an excellent representative of the famous Edgcote Missie family, one of the strongest families of the breed. Be sure to note the great bulls listed in her pedigree.

Clipper 12th—All who have owned members of this strong Gordon Clipper family have found them to be exceptionally profitable producers.

Clara 14th is typical of the quality of the females that were purchased for the foundation of the Metz Herd. She is a daughter of Dreadnaught Invincible.

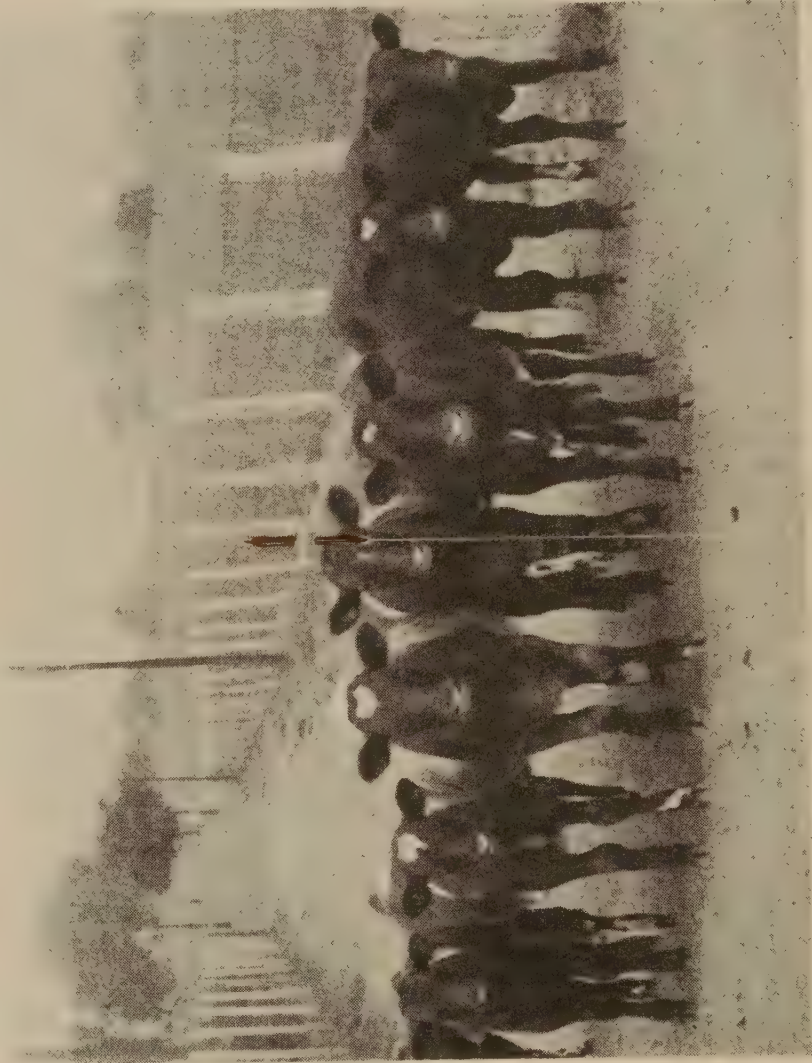

Ruby Cumberland 5th, a daughter of Oakdale Sensation that was selected for our herd foundation. Purchased at the top price of the Jos. Miller's Sons sale.

Here is one of the good Bruce Rosewood cows in our herd. Like all of our brood cows, she is a heavy milker and a regular producer. Her calf is by Leveldale Manifest.

The Thorp Metz Herd was founded on top individuals from the strongest herds in America. A few of them are displayed on these pages. This herd reduction sale provides a rare buying opportunity.

This sale offers an exceptional opportunity to buy cows with calves at foot. The ten calves that go free with their dams are all sired by Leveldale Manifest, a bull that has proved himself to be one of the best sires ever produced by Mathers Bros. Below are shown a few of the lusty, blocky calves of this noted sire.

Leveldale Bride 13th, a top Mathers production that was included in our herd foundation. She is a daughter of the International grand champion Sheik of Leveldale.

Haylands Primrose, a first prize winner at many important shows and fairs. We chose her for our herd foundation because we liked her type.

LoMar Clara 3d, another top female that was included in the Metz Herd foundation. She was bred by LoMar Farms and is by Helfred Sunlight out of an Oakdale Standmore dam.

War time demands for quality meats are lending new emphasis to efficient production of beef. This can only be achieved through a combination of good breeding and good feeding. The world needs more good seed stock. Breed Shorthorns on your farm and help to supply an increasing demand sufficient to insure profitable production.
